Bridge Arts and Education hosts Spring Showcase Concert

featuring student jazz musicians on June 13

May 26, 2021- Kingston, NY – Join Bridge Arts and Education for a live concert featuring the Hudson Valley Youth Jazz Orchestra and the SUNY Ulster Jazz Ensemble on June 13 at 3:30pm at the Hasbrouck Park Pavilion in Kingston, NY.

Students have been rehearsing this season in the parking lot of the former Tech City building, now Enterprise West. Bridge Arts and Education had previously been hosted by SUNY Ulster, but due to constraints in access due to COVID-19 protocols, the college was no longer able to host outside organizations. The Office of the Ulster County Executive generously offered this outdoor site for a safe, properly distanced rehearsal space.

Our concert is free and open to the public. We ask that you register at www.bridgeartsandeducation.org/events to help us provide a safely spaced spot to listen and, in case of inclement weather, seats under the pavilion roof. For more information, email contact@bridgeartsandeducation.org.

Bridge Arts and Education is a 501(c)(3) not-for-profit dedicated to promoting education and collaboration as means to grow a more diverse and innovative music community. Our spring season was made possible by our sponsor, Dan Couse- State Farm agent.
