## **Bridge Arts & Education Presents “Bridge Arts at The Falcon”**

*An Afternoon of Community Jazz – Sunday, November 23 in Marlboro, NY*

---

MARLBORO, NY — Bridge Arts & Education will present Bridge Arts at The Falcon on Sunday, November 23, 2025, at 1:00 PM at The Falcon Underground in Marlboro, NY.

This special concert will showcase three of the Hudson Valley’s premier youth and community jazz ensembles: the Hudson Valley Youth Jazz Orchestra (HVYJO), the Bridge Arts Community Jazz Band, and the Bridge Arts Jazz Lab, all under the direction of Dan Shaut.

Admission is free, with donations encouraged to support Bridge Arts & Education’s tuition-free and low-cost music programs that serve students and musicians across the region.

“Performing at The Falcon gives our students an opportunity to experience the energy of a real jazz venue,” said Shaut. “It’s an inspiring and empowering moment for these young musicians, and it’s made possible by a community that believes in the power of the arts.”

The concert will feature an afternoon of jazz classics and contemporary selections, highlighting the talents of musicians from middle school through adult community members. Bridge Arts & Education’s programs bring together performers of all ages to learn, collaborate, and celebrate the region’s vibrant musical culture.

## **About Bridge Arts & Education**

Founded in 2018, Bridge Arts & Education is a nonprofit organization based in the Hudson Valley dedicated to building bridges through music and arts education.

The organization provides tuition-free and low-cost opportunities for students and community members to engage in music learning and performance through ensembles, workshops, and public concerts.

Bridge Arts & Education’s programs include the Hudson Valley Youth Jazz Orchestra, Bridge Arts Community Jazz Band, and Bridge Arts Jazz Lab, alongside lessons, educational resources, and community partnerships that foster creativity and collaboration.

To learn more or support their programs, visit [www.bridgeartsandeducation.org](http://www.bridgeartsandeducation.org).
